

Detmold, 22. 1. 2021

Dear ladies and gentlemen, dear members and friends,

For the new year we wish you all good health and all the best for you and your loved ones!

It has been a long-standing tradition that in January we are allowed to draw your attention to many events of the Lippe communities on Holocaust Memorial Day. But still everything is different - and so for this special beginning of the year you will receive information and links to digital lectures, church services, tours and opportunities to participate. Students in particular have put a lot of effort into creatively implementing our common cause. A look at the digital offerings will certainly be worthwhile!

The **city of Detmold** invites you to three digital events. You can [view or download the flyer here](#). The central event of the **Realschule I** on the topic "Humanity and Inhumanity Then and Now" can be found from 27. 1. 18:00 at www.realschule1detmold.de and on YouTube. A workshop of the Israel-AG of the **Grabbe-Gymnasium** about Anita Lasker-Wallfisch starts digitally on 28. 1. at 17:00. You can still register for this by mail at interaktives_zeitzeugnis@e-mail.de or directly at oliver.arnhold@online.de.

The **city of Lage** has summarized interesting offers from many students and institutions in a [flyer](#). You will find a church service, a digital city tour on Jewish traces, a GeoCacheTour to the memorial steles and a lecture on the question "How great is the danger from the right" on the city's homepage at www.lage.de.

On our own behalf, we would like to inform you that we will certainly not be able to make up for our cancelled general meeting in March. We are now planning it for September 19, 2021. Invitations with proposals for changes to our Articles of Association and with election announcements will be sent to our members in good time. Hopefully we will be able to offer a small musical program again.

We are now planning all the cancelled readings, lectures, concerts and events for the second half of 2021.

You will hear from us!

With best regards on behalf of the entire Board of Directors

Micheline Prüter-Müller
