On Friday, 8 April 2022, at 2 p.m., the exhibition "Jewish Traces in Detmold" will open at the Bruchmauer.

Last year, students of the Israel-AG of the Grabbe-Gymnasium, led by Oliver Arnhold and Elisabeth Hecker, developed a digital city tour based on the book "Auf jüdischen Spuren" by Gudrun Mitschke-Buchholz. In an abbreviated form, some stations of this tour will be exhibited on banners at the Bruchmauer in Detmold from 8 April 2022.

The opening will feature contributions from representatives of the city, the city archives, the Jewish Community Herford-Detmold, the GfCJZ and the Christian-Dietrich-Grabbe-Gymnasium.

## Travelling exhibition "stolen memory"

Jewellery, photos, papers - the Nazis took all their victims' personal belongings when they arrested them. The Arolsen Archives keep several thousand of these items. They are looking for the victims' families to return the stolen mementos.

The travelling exhibition [#StolenMemory](#) tells the stories of the search.

The container touring exhibition will be on display at the theatre forecourt in Detmold from 17 March 2022.

The aid network for survivors of Nazi persecution in Ukraine is calling for donations. Survivors of National Socialist persecution are also suffering in the current war in Ukraine. A support network has been formed from various initiatives, foundations, memorials and memorial sites in Germany - including the Stalag 326 (VI K) Senne memorial site. Further information is available at <https://hilfsnetzwerk-nsverfolgte.de/>.

Warm greetings to you all - on behalf of the entire Executive Board
